

Go Pro *with Hot Mix Pro Gastro*

Efficient and versatile unit with the ability to blend, mix, liquidise, grate, crush and can even be used as a slow cooker. Machine features turbo action option to invigorate food as required and can hold up to 250 recipes, with five steps for each recipe. Great for cooking soups, sauces and risottos. Capable of making cold and iced drinks, this multifunctional machine has a diagnostic guide for repairs and maintenance, making it easy to use for a variety of jobs. Ideal for producing highest standard nutritious food in Care Homes and 'Special Diets' in hospital kitchens.
